

EU Declaration of Conformity

nr.. 2026-01

We, producent:

Ronyo Technologies s.r.o. , Česká 3195/47, 700 30 Ostrava-Zábřeh, Česká Republika
IČO: 28629639 , DIČ: CZ28629639

Product list

FLU-05, FLU-07, FLX-07	central units
FLM-05	monitoring unit
FLE-08-0, FLE-08-1	Expander (input/output module)
FLQ-2-16r, FLQ-8-8e	Expander (input/output module)
FLA-06, FLG-06	acceleration detector
FLA-07, FLG-07	acceleration detector
FLA-08b	Image detector (for galleries)
MAG-M2, MAG-M3, MAG-M4	magnet for FLG detector
FLR-03	receiver for SW Perimon
Plate T27, Plate T30	mouting plate
Ronyo Server	Software with accessories for the Varya Perimeter system

We declare under our sole responsibility that the above products meet the requirements of the technical regulations, regulations and standards listed below:

1- The listed products are in compliance with the harmonization legislation and standards of the European Union:

ČSN EN 50130-4 /-5 , ČSN EN 50131-1, ČSN EN 50131-5-3, ČSN EN 50134-2, ČSN EN 55022, ČSN EN 61000-4-2 /-3 /-4 / -5 /-6, ČSN EN 50131-2-6

PN EN 50131-1

2- Radio Equipment Directive (RED): In accordance with Directive 2014/53/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 April 2014 on radio equipment, including the requirements in the field of electromagnetic compatibility set out in Directive 2014/30/EU, we hereby confirm that Ronyo Technologies s.r.o., in its internal production control, fulfils the obligations set out in points 2, 3 and 4 of this Directive and guarantees and declares on its own responsibility that the radio equipment in question complies with the essential requirements set out in Article 3.

3- Hazardous substances: In accordance with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) and RoHS/CU TR 037/2016, we hereby confirm that Ronyo Technologies s.r.o. complies with all restrictions set out in the above-mentioned directive when manufacturing its products.

4- Cybersecurity: The listed products are in compliance with the standard: “Minimum Standard Information Security for Operational Technology” (Valid from: 15.12.2022), which defines the basic level of cybersecurity.

5- Technical documentation: The products listed are in compliance with Directive 2014/53/EU. We declare under our sole responsibility that we have taken all measures to ensure compliance with the technical documentation of Ronyo Technologies s.r.o.

6- Place of production: All products manufactured and sold by Ronyo Technologies s.r.o. are manufactured exclusively in the Czech Republic. No part of our manufacturing process, including assembly, packaging or final finishing, takes place outside the Czech Republic.

Issued: in Ostrava, on: 13.1. 2026
